Alan Prouty
Vice President,
Environmental & Regulatory Affairs
J.R. Simplot Company
1099 W. Front Street
Boise, ID 83702

UPS: 1ZE273430395837743

Dear Alan,

The Agencies have reviewed the Proposal for Iron Co-Precipitation at the Pilot Water Treatment Plant at Hoopes Springs, and the associated response to comments, and are in agreement with the Proposal.

The Forest Service approves the Proposal.

If you have any questions, please contact me via email at: arthur.burbank@usda.gov

Sincerely,

ARTHUR BURBANK
Environmental Engineer
